HEROES 2026

HOSTED BY COMMISSAR KAI & FRIENDS

SHORT CALL TO ACTION

From June 23–28, the Helldivers 2 community is rallying for HEROES '26: a six-day charity fundraiser benefiting Save the Children, and hosted by Commissar Kai & friends. HEROES '26 is organized by the Freedom Alliance with the kind support of Arrowhead Game Studios.

HEROES '26 features Major Order: Save the Children, a stream marathon on Twitch and YouTube with 20+ creators including Commissar Kai, Brickly, Super Earth Salute, and more. HEROES '26 also includes a charity auction on Tiltify offering exclusive Helldivers items you can't find anywhere else.

Last year, the community raised over \$120,000. This year, it's time to show the world that we can do it bigger.

Donate. Tune In. Spread the word.
