

# HEROES<sup>2026</sup>

HOSTED BY COMMISSAR KAI & FRIENDS

## EXTENDED DESCRIPTION

HEROES '26 is a global community charity campaign hosted by Commissar Kai & friends. The fundraiser event runs during June 23-28, 2026, and is organized by the Freedom Alliance with support from Arrowhead Game Studios. All proceeds benefit Save the Children.

The roots of the event go back to 2024, when Pilestedt donated \$4,311 to Save the Children after the community voted to spare the fictional children's hospital instead of gaining an in-game powerup. In 2025, the Freedom Alliance turned that spirit into the first HEROES fundraiser, raising over \$120,000.

HEROES '26 is the next chapter, and it's time to go bigger.

At the center of the campaign is Major Order: Save the Children, a six-day stream marathon on Twitch and YouTube featuring 20+ creators including Commissar Kai, Brickly, Super Earth Salute, and more. Viewers can donate through Tiltify and watch the community hit milestones in real time.

Running alongside the streamathon is a live charity auction on Tiltify featuring one-of-a-kind Helldivers-themed items available nowhere else. The auction opens June 23rd and closes June 28th.
